Free Victorian Roses Design

Free Roses For Mary Design

1. Sewing and Embroidery machine with a free motion foot, or a zigzag foot.
2. Threads – **40 weight embroidery threads must be Rayon**. 3 shades of green, 4 shades of your rose color, and gold for the flower centers.
3. Stabilizers – you will need 2 layers of Vlene or wash away stabilizer for each hooping, plus a layer of organza to layer in-between the wash away. We will be doing 1 hooping of each design.
4. Bobbins, marking pen or chalk, ruler
5. Heat Cutting Tool, I recommend the Jenny Haskins Heat Cutting Tool.
6. Poly invisible thread.
7. An item or garment to attach the embroidery decoupage.
